

## April Report –

### CCMW BRAMPTON MISSISSAUGA CHAPTER REPORT

1. April was a good month with the Brampton Mississauga chapter meeting at an Egyptian restaurant Al Masrawy on April 18 for Iftar. Marium and Nuzhat joined us, and I believe we were close to 20 people. Thanks Marium for being so closely involved with the planning of the event.

2. Picked up a total of 14 jars of dates in March personally, from Meatheads in Mississauga. One of our chapter members bought 1 jar that I know of. We raised close to \$400 during the Ramadhan campaign

3. Attended Iftar at Algoma University and spoke on Ramadan and CCMW . It was a very nice event where I got to meet young students from different denominations and had great conversations.

4. Am attending a conference in Waterloo next month along with Sitara and Shaila - **Our Whole Society – Finding Common Ground in a time of Polarization** – Should be interesting.
5. Met with some chapter members to discuss overall CCMW Strategic Plan and the Chapter Strategic plan. It would have been nice to have had more members join, but many could not.

6. The Chapter is getting together on May 27 to get reacquainted with each other ( new members) and to spend a nice fun night together, with some planning opportunities.
